

Austin & San Antonio Jobs Listing

Project Consulting – Austin

Position: Sales Representative

About the Company: One of the world's foremost IT project consulting firms with an exceptional track record of tenure (average account manager has been with the company for 16 years).

Job Description: Seeking a quality salesperson in Austin with a track record in some type of technology consulting, familiar with the Austin/San Antonio marketplace. The role requires 3 to 5 years of services sales experience (even IT staffing) with high energy and a tremendous work ethic. Top salespeople consistently earn \$500,000 or more.

Compensation:

- Up to \$150,000 base salary
- \$300,000 on quota

Apply: Contact Tony Beshara at 214-515-7613.

Branch Manager – IT Staffing

Position: Branch Manager

About the Company: A well-established IT staffing firm with offices in San Antonio and Austin. They focus on high-end project engineers, cloud engineers, and data scientists, placing them nationwide.

Job Description: Seeking a branch manager to manage both offices. The ideal candidate will have solid experience in the IT staffing business and be located in either Austin or San Antonio.

Compensation:

- \$120,000 base salary
- \$200,000 on quota

Apply: Contact Tony Beshara at 214-515-7613.
